\$9⁹⁵

Ask your controller supplier about ORM from Kings III. Installs in 15 minutes on Serial Controllers from EC, Smartrise and other fine manufacturers.

ELEVATOR EC CONTROLS
SIMPLE. SOLID. SUPPORTABLE.

SMARTRISE CONTROLLERS™
pioneering innovation

Simply Reliable.

ELEVATOR COMMUNICATIONS from phones to intercom replacement and code compliant line consolidators, we have what you need to meet your client's demands. SafeCall ADA phones feature auto-testing capability, plus they're easy to program on the bench, on site or through any touchtone phone. They're the only ADA phone you need on your trucks.

Ask about our Revenue Sharing JV Program. Eliminate your phone headaches now. Kings III supplies the sales, equipment, installation, repair, monitoring and dispatch. Your client pays a low monthly fee while you share the recurring revenue.
